To order, please send an email to ekellydill@gmail.com or drop an order form off at the main office. Order forms are on the school website (click on Family Council; Fundraising link)
- Back To School Night for parents 9/27: schedules are available on the school website (right hand side of the home page)
- DINNER MAKES A DIFFERENCE: A message for families from the Communities that Care Coalition.
- KARATE CLASSES: I am the instructor for the Recreation Commission's karate program in Erving, MA. I wanted to extend an invitation to your students that may be interested in practicing traditional Japanese Karate. I have been training myself for about 20 years and teaching for the last 5. Our club is affiliated with the International Shotokan Karate Federation, the largest Shotokan Karate organization in North and South America. Registration is only \$25 and there are no monthly fees. I also sell the uniforms at my cost of around \$15. I am really looking to grow the club and would welcome your students to give us a try. If you have any questions, please email or call me.
