

Scrap Metal Fundraiser 2012

Please recycle! During February and March, we will be collecting scrap metal to raise money for our trip to Oaxaca, Mexico. If you have any acceptable metal items that you are willing to donate, please call the school (413-775-4577) or contact Eliza Beardslee (ebeardslee@fourriverscharter.org) or Rebecca Arnold (ranold@fourriverscharter.org). If you are unsure whether your item is acceptable, please contact us. Thank you for your support!

Type of metal	Acceptable	Unacceptable
Ferrous	Cast iron tubs and sinks Cast iron radiators Cast iron pipes Car motors (all wires/hoses removed), brake drums, rotors Steel I-beams, plates, springs, truck frames, car bumpers, rims, mufflers, other auto parts Pipes, fencing, cables, wires, metal cabinets, shelving, lawn furniture, lawn mowers (gas tank removed)	No machinery containing gas tanks or oil
